

HAGRID'S MAGICAL CREATURES MOTORBIKE ADVENTURE IS NOW OPEN AT UNIVERSAL ORLANDO RESORT

Guests Can Now Join Hagrid's Care of Magical Creatures Class and Embark on a Thrilling Journey into the Forbidden Forest

Orlando, Fla. – Hagrid's Magical Creatures Motorbike Adventure – the epic new addition to The Wizarding World of Harry Potter – is now open at Universal Orlando Resort and has become the most highly-themed, immersive coaster experience ever.

Hagrid's Magical Creatures Motorbike Adventure joins the lineup of award-winning entertainment experiences in The Wizarding World of Harry Potter at Universal Orlando and brings an all-new adventure inspired by J.K. Rowling's beloved stories to life. Featuring rich sets, an actual forest with more than 1,200 trees, ground-breaking coaster technology and a captivating storyline, Hagrid's Magical Creatures Motorbike Adventure is the world's first "story coaster" – taking theme park experiences to a whole new level.

The journey begins as guests join Hagrid's Care of Magical Creatures class and enter mysterious ruins, lain abandoned for centuries behind Hagrid's hut and nestled on the edge of one of the most mysterious places in the Wizarding World – the Forbidden Forest. With Hagrid as their guide, guests will board magical motorbikes – riding on either the motorbike or in the adjacent sidecar – and feel the freedom of flight as they journey into the forest to discover the Wizarding World's rarest magical creatures. They'll ascend above the trees, rapidly accelerate through the ruins, rush forward – and backward – at speeds up to 50 mph and more on an unforgettable adventure with a few surprises along the way.

Guests will also experience next-level storytelling and immersion never-before-seen on a coaster, as they:

- Come face-to-face with some of the Wizarding World's rarest [magical creatures](#), such as a majestic Centaur, a swarm of mischievous Cornish pixies, Fluffy, the three-headed dog, Blast-Ended Skrewts – a creature that's never been seen in the films – and more
- Encounter [Hagrid](#) himself as the most life-like animated figure Universal Orlando has ever created
- Become entangled in a thicket of Devil's Snare and unexpectedly free-fall nearly 17 feet to escape the perilous plant
- And so much more

"I'm excited to welcome you to this new chapter of magic here at The Wizarding World of Harry Potter," said actor Robbie Coltrane, who portrays Hagrid in the *Harry Potter* film series and is the star of the new adventure. "Be sure to hang onto your motorbike, and most importantly, have fun everyone."

Hagrid's Magical Creatures Motorbike Adventure is located in The Wizarding World of Harry Potter – Hogsmeade at Universal's Islands of Adventure. For more information, visit www.UniversalOrlando.com.
