## SPECIAL TICKET OFFER – “BUY AN EVENT NIGHT, GET A SECOND EVENT NIGHT FREE” – NOW ON SALE FOR UNIVERSAL ORLANDO’S HIGHLY-ANTICIPATED HALLOWEEN HORROR NIGHTS 2020

*Guest Can Get Two Event Nights for the Price of One to Experience the World’s Premier Halloween Event*

**ORLANDO, Fla. (March 10, 2020)** – Guests can now make plans to get a double dose of horror with a special “Buy an Event Night, Get a Second Night Free” offer for the highly-anticipated 30<sup>th</sup> year of Universal Orlando’s Halloween Horror Nights, running select nights September 10 through November 1. Plus, guests who book a vacation package that includes this incredible offer can be among the first to book event upgrades that will take their Halloween Horror Nights experience to the next level, like RIP Tours and Behind the Screams: Unmasking the Horror tours, *before* they go on sale to the general public.

Available for purchase online only through July 22, the “Buy an Event Night, Get a Second Night Free” offer gives guests the utmost flexibility as they’re able to choose two nights from 36 set dates, including select Saturdays, to attend the world’s premier Halloween event. And the chosen dates don’t have to be consecutive – so guests can face the event’s horrifying haunted houses, scare zones and shows on one night, then take a few days or weeks to recuperate before facing their worst nightmares for a second time.

Guests can also stay in the heart of the screams with a vacation package that includes Halloween Horror Nights admission with this special ticket offer, Universal Orlando hotel accommodations, tickets to Universal Orlando’s three world-class theme parks and more. They also have first dibs on booking an RIP tour – a guided tour experience that gives guests front-of-line access to all haunted houses and more – and a Behind the Screams: Unmasking the Horror tour – a daytime, lights-on tour of the haunted houses that gives guests a glimpse into how the scares are brought to life.

See below for more details on the Halloween Horror Nights offers that are available now.

This fall, Halloween Horror Nights will return with a vengeance to celebrate 30 years of bringing the most terrifying names in horror to life, unleashing all-new scares plus re-imagined haunts inspired by the past in Universal Studios Florida. Guests will come face-to-face with what scares them most as they encounter 10 brand-new, horrifying haunted houses and five bone-chilling scare zones based on everything from cinematic and TV greats to original abominations from the twisted minds of Universal’s award-winning Entertainment team. And when guests need a break from the screams, they can enjoy outrageous live entertainment and Universal Studios’ exhilarating rides and attractions.
